Sir:

The undersigned petitioner, an attorney of record, is hereby acting for the unnamed entity which is the 100% owner of all rights, title and interests in and to the subject application:

1. ☐ by virtue of being the inventor(s) and having not assigned this application
2. ☒ as shown by the Assignment recorded December 16, 1999 on Reel 010449 at Frame 0049
(date)
3. ☐ as shown by the attached copy of the Assignment filed for recordal on _____
(date)
4. ☐ and, if the assignor in that Assignment is not the original owner (inventor(s)), the chain of title from the original owner to that Assignment as recorded on Reel _____ at Frame _____
Reel _____ at Frame _____ Reel _____ at Frame _____

and hereby disclaims (except as provided below) the terminal part of the statutory term of any patent granted on the subject application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened (if at all) by any terminal disclaimer of:

5. ☒ any patents granted in regard to U.S. Applications 09/384,371, all August 27,
Nos. 09/384,443, filed 1999
and 5/23/2005 VJONES2 00000001 09384088

to which said entity also has legal title. Petitioner hereby reserves the right to extend the term of the patent, which issues on this application, for regulatory delay or otherwise as the law allows. Petitioner hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such

period that it and the patents in the above lines numbered 5 and 6 are commonly owned. This agreement runs with any patent granted on the subject application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the patents in lines numbered 5 and 6 above, as presently shortened by any terminal disclaimer, of the above-listed patent in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
